VOL. 30. No. 51

In Honor of Miss Schmitt.

The younger set of Hondo enjoyed a most delightful evening at the home of Mr. and Mrs. W. A. Schmitt last Tuesday night.

The occasion was the introducing of Miss Elsie Schmitt, a most charming young lady of San Antonio, who is visiting the hostess.

The house was beautifully illuminated and decorated. Large masses of evergreen and ferns lined the walls, and flowers and sweet wood flowers were placed from every cavity in the room while the sweet fragrance of pepper-ment was welcome to the nostrils of all.

The guests lost no time in making themselves perfectly at home. After each fair maiden had admired the others new dress, and asked "how on earth she got her hair to stay in that position," a lively game of bridge was begun. Bridge must be a fascinating game, because no one asked who, which, why or wherefore until some one said "refreshments," two hours later. Judging from the way each player caused a brick of Neopolitan ice cream and four kinds of cake to disappear, bridge must be a hot game.

After refreshments were enjoyed, a score was counted and Mrs. Ralph Noonan won the first prize, a hand-made lace fan, while Miss Fritz won the guest's prize, a lovely hand-embroidered handkerchief.

The next attraction to follow was several selections on the piano by Mrs. E. Cockrell, followed by a solo by M. J. Schmitt, and a duet by Miss Elsie Schmitt and Mr. M. J. Schmitt.

A half hour after Cinderella's time of departing some one remembered that they had a home, so each couple

Wednesday afternoon the bridge club met with Mrs. Ralph Noonan, the following members being present: Mrs. Williamson, Miss Evelyn de Montel, Miss Johanna Rothe, Mrs. Cockrell, Mrs. Lee, Miss Schmitt, Mrs. Schuchart, Miss Schuchart and Miss Christine Pike. First prize, club spoon, was won by Miss Pike; the guest's prize, went to Miss Elsie Schmitt.

A delightful salad course and punch were served as refreshments.

Thursday afternoon, the 13th, Mrs. Ralph Noonan was hostess to the bridge club, the following members being present: Mesdames Meyer, Schmitt, Decker, Cockrell, Schuchard, Lee, Miller and the hostess; Misses Rothe, Schuchart.

The first prize, hat pin, went to Mrs. Decker; the second prize, a pretty handkerchief, going to Mrs. Schmitt.

Refreshments consisting of delicious ice cream and cake was served.

Ministers Transferred.

Rev. E. H. Crandall who was assigned to Yancey by the last annual conference of the Methodist church, has, at his own request, been transferred by Bishop Muzon to the North Texas conference, and has already taken up his new duties.

To supply the vacancy in the Yancey pastorate Presiding Elder Johnston has transferred Rev. A. B. Davidson from Eagle Pass to Yancey.

The new pastor filled the pulpit of his new charge last Sunday at both the morning and evening service. Good congregations were present at both services, and the new pastor is delighted with his new location.

The Nazarine Meeting.

The Church of the Nazarine people began a protracted tent meeting on the court house lawn Wednesday evening and were very much encouraged by the large congregation that was in attendance at the initial service. Rev. Mr. Threadgill, who has quite a reputation as an evangelist, and who is noted as one of the most thorough Bible students in the United States, is doing the preaching. In fact, so familiar is the Rev. Mr. Threadgill with the Bible that he has been dubbed "a walking Bible."

Go out and hear him. You will not

only enjoy the service but will receive instruction that will cause you to ponder over your future state.

Meeting at Christian Church.

Rev. Henry Hagermeier began a protracted meeting at the Christian Church last Sunday and it is still in progress. Those who have failed to hear this talented gentleman are missing some fine sermons. Rev. Mr. Hagermeier is not unknown to the people of Hondo, he having visited here some four or five years ago, and made a number of friends here who are watching his career in his chosen calling with quite a degree of interest.

Look up the announcement of the services at the Christian Church for next Sunday evening and go out and hear him.

WAYS TO USE LEMONS

FIVE SUGGESTIONS THAT ARE OF REAL MERIT.

Made into Pie, Its Tart Flavor Will Be Appreciated by Many—Lemon Butter a Delicacy Highly Considered.

Lemon Pie.—Two slices of stale bread, two-thirds of an inch thick; one cupful of boiling water, one cupful of sugar, one tablespoonful of butter, the juice and grated rind of one lemon, two eggs. Dissolve the bread in hot water; add the sugar, butter, lemon and yolks of the eggs, well beaten. Bake in a moderate oven. When done make a meringue of the whites of the eggs and pile on top. Brown in a very slow oven.

Lemon Souffle.—One cupful of sugar, one tablespoonful of butter, two tablespoonfuls of flour, the juice and grated rind of one lemon, one cupful of milk, two eggs. Cream the butter, sugar and flour together. Add the juice and rind of the lemon, then the beaten yolks and the milk. Add the well-beaten whites last. Bake in a pudding dish placed in a large pan half full of boiling water. This is a most convenient pudding to make in a hurry, as it does not need a sauce. The top is a delicious soufflé and the bottom a creamy sauce.

Lemon Butter.—Half cupful of water, half cupful of flour, half cupful of sugar, one egg, salt. Boil the water and add the flour mixed to a paste. Then add the sugar, the egg well beaten and a pinch of salt. Cook until stiff and creamy. Take off from the stove and add four tablespoonfuls of lemon juice and a teaspoonful of grated rind. Spread between slices of bread for the children's sandwiches.

Lemon Cheese Cakes.—One heaping tablespoonful of butter, two-thirds cupful of sugar, two eggs, one lemon. Cream the butter and sugar, add the yolks of the eggs, well beaten, and the juice and grated rind of the lemon and cook till thick in a lemon boiler. Bake in muffin pans, lined with pastry, and cover the tops with meringue made from the whites.

Lemon Cream Pie.—Half cupful of water, one tablespoonful of cornstarch, three tablespoonfuls of sugar, two eggs, one lemon. Line two plates with pastry and bake. When cold, put together with the following: Boil the water and add the cornstarch, mixed with a little cold water, and the lemon juice. Beat the yolks of the eggs with the sugar, add a pinch of salt and cook all together till thick. Make a meringue of the whites and spread over the top. Do not put together till just before it is to be served.

Delicious Sweet Scones.

Whole wheat flour, one pound; lard or butter, two ounces; saltanas, one ounce; carbonate of soda, three-quarters of a teaspoonful; tartaric acid, half a teaspoonful, free from lumps; buttermilk or sweet milk, one teacupful; golden sirup, one teacupful (about two ounces). Put flour into a basin and thoroughly mix in the butter, saltanas, soda and acid. Pour the sirup into the milk and add this to the dry ingredients, working it into a smooth dough. Knead as quickly as possible, roll out to half an inch in thickness, cut in rounds.

Apple Sponge.

Soften one-third of a box of gelatin in one-third of a cupful of cold water, then dissolve it in one-third of a cupful of boiling water. Add one cupful of sugar, stir over boiling water until dissolved, then add the juice of one lemon and one cupful of unsweetened apple sauce. Let stand until it begins to thicken, fold in the stiffly-beaten whites of three eggs, beat until white and frothy, turn into a ring mold and place on ice until firm. Unmold and serve with sweetened whipped cream in the center.

Delicious Meat Flavoring.

Garlic vinegar makes meat rich and tender and gives it a delicious flavor that is hard to define. It is made by placing in a quart bottle a small garlic, which is replenished as the vinegar is used. Pour into the pores of the meat as much vinegar as it will absorb, then brush over with olive oil.

Fish Hash.

Place pound of salt fish in dish on second cover of stove with cold water to cover. After it soaks a while change the water again and let it just steam, but not boil. About 6 or 7 boiled potatoes. Chop all together and fry in pork fat till brown. Moist-en a little with milk.

Lemon Pie.

Cupful of sugar, two tablespoonfuls flour, small piece of butter (melted), grated rind and juice of one lemon, yolks of two eggs, one cupful milk, whites of two eggs beaten stiff; bake in one crust for 45 minutes in a very slow oven.

For Sandwiches.

To make a good sandwich filling take one cupful of whipped cream, a pinch of salt, a little lemon juice; and one-half cupful of nut meats. Mix and spread between thin slices of bread.—Mother's Magazine.

Ginger Cookies.

Two cupfuls of molasses, one cupful sugar, one cupful shortening, one cupful water, two teaspoonfuls soda, salt, teaspoonful ginger, flour to make dough. Will make six dozen cookies.

Is It "Just a Cold"?

Hondo People Should Ask Themselves This Question.

Don't say: "It's just a cold."

It may turn into backache, rheumatic aches, aching joints

Or other serious sickness that comes from weak kidneys.

Colds are due to congestion.

Congestion makes the kidneys over-work to filter the blood.

Colds often leave the kidneys weak.

First break the cold;

Then use Doan's Kidney Pills to avert the kidney dangers.

Let this Hondo resident tell you about them.

Mrs. Heyo Schweers, Hondo, says: "I suffered from an attack of kidney trouble. The whole complaint seemed to be with the kidney secretions. They annoyed me by being irregular in passage and I believe the trouble was brought on by a cold settling in the kidneys. I got Doan's Kidney Pills at Windrow's Drug Store and after short use, the trouble was removed. It has never returned."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schweers had. Foster-Milburn Co., Props., Buffalo, N. Y.

Traveling Man's Experience.

In the summer of 1888 I had a very severe attack of cholera morbus. Two physicians worked over me from four a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack," writes H. W. Ireland, Louisville, Ky. Obtainable everywhere.

PREPAREDNESS

Here's proof of the value of being prepared

We are for National preparedness.
We have proved the value to any
organization, whether it be govern-
ment or manufacturer, of being pre-
pared for the unexpected.

It has been an established rule of
this institution to lay in our supplies
of materials far in advance of their
actual need.

We've done this with the Saazer
Hops which we use exclusively in
Budweiser, Michelob, Muenchener
and our new soft drink Bevo—
always a two-year advance supply.
Preparedness.

During the summer of 1914, one of
our officials, while on his annual hop
buying trip abroad, selected and
purchased 775,000 lbs. (1350 bales) of
the choicest Saazer Hops—and had
them shipped to this country before
the embargo was rigidly enforced in
March, 1915—preparedness. Add this
to the large stock on hand, and you
will see how secure preparedness has
made our position.

Our supply is sufficient to last at
least until the closing days of 1915.

Preparedness pays.

GROVE'S TASTELESS CHILL TONIC, drives out
Malaria, enriches the blood, and builds up the
system. A true tonic. For adults and children. 50c.

RHEUMATISM ARRESTED

Many people suffer the tortures of
lame muscles and stiffened joints because
of impurities in the blood, and each suc-
ceeding attack seems more acute until
rheumatism has invaded the whole system.
To arrest rheumatism it is quite as im-
portant to improve your general health as
to purify your blood, and the cod liver oil
in Scott's Emulsion is nature's great blood-
maker, while its medicinal nourishment
strengthens the organs to expel the
impurities and rebuild your strength.
Scott's Emulsion is helping thousands
every day who could not find other relief.
Refuse the alcoholic substitutes.

VERMONT VOTERS KILL PROHIBITION

Vermont, which was one of the
sixteen states that voted for pro-
hibition fifty years ago, and after
giving it a long and thorough trial,
went back to the local option sys-
tem, has again come out in favor
of license, regulation and control
of the liquor industry. At this
last election several days ago,
every county except one gave a
majority in favor of local option.

Vermont adjoins Maine, a pro-
hibition state. Friends of the li-
beral interests say that Vermont
people have had an opportunity to
see the results of "blind tigers,"
"blind pigs" and other places
where substitutes for liquor are
sold in Maine, and this probably
accounts for the great increase in
the number of votes against pro-
hibition.

A dispatch to the Cincinnati En-
quirer from Rutland (Vt.) states:

Local option won over prohi-
bition in this state today by a mar-
gin of 13,154 votes. The prohibi-
tory amendment was first placed
on the statute books in 1852, and
was repealed in 1903 by a majority
of 729.

The vote today on the question
of reenacting the amendment was
Yes, 13,503; no, 31,657.

Every county in the state, with
the exception of Orleans, gave a
majority in favor of local option.

Good Eye-sight

is essential to health,
comfort and appear-
ance. Have you ever

noticed a strained look on your face?
Usually this comes from eye-strain.
More wrinkles are caused by eye-strain
than by old age. Headaches caused
by eye-strain cannot be cured by medi-
cine, it depends upon optical skill of
the optometrist who prescribes the
lasses. Having had 16 years experi-
ence in Medina County assures you of
satisfaction.

Made My Life Worth Living

"I feel it my duty to tell others what
Chamberlain's Tablets have done for
me," writes Mrs. L. Dunlap, of Oak
Grove, Mich. "I have
suffered with pains in
my back and under
my shoulder blade for
a number of years,
also with a poor app-
etite and constipation.
I tried all of the rem-
edies that I heard of,
and a number of doc-
tors, but got no relief.
Finally a friend told
me to try Cham-
berlain's Tablets, and
Liver Tonic. I took
a bottle and in a few
days they soon cured my
stomach, the con-
stipation, my bow-
els became more regu-
lar. Today I feel like
praising them to all
who suffer as I did, for
they have cured me and made my life
worth living."

The fertility of Medina county soil and its adaptability to all kinds of crops has again been demonstrated. R. H. Hudspeth was this week showing samples of seeded ribbon cane approximately ten feet high. When it is remembered that the early spring was decidedly unfavorable on account of the severe drouth—the first rain occurring on March 31st—what better evidence could any desire as to the productiveness of the soil. This cane is said to produce a most delicious syrup.

Some very entertaining and instructive lectures were delivered by experts and people of state and national reputations in their lines. Crops in the section from Hondo to Austin are fine, but boll weevils are doing damage in some cotton fields.

A Card.

In answer to an article in last week's paper, as Secretary-Treasurer of S. W. T. F. U. D., I want to defend myself and any of the brethren who were at the San Antonio meeting. I know there is no spite work or grudge against the late secretary, but there must be some mistake which I think could be settled in a personal meeting in which all matters should be settled under "Integrity and the Golden Rule." The Anvil Herald published the minutes of the San Antonio meeting without my consent, but the Jourdan local was duly notified to get passes for their delegates for the called meeting in San Antonio June 10.

SECRETARY-TREASURER

S. W. T. F. U. D.

The Secretary and Treasurer is correct in stating that The Anvil Herald published the minutes of the District meeting on its own authority and without asking the permission of any one. It was done because it contained matter which the writer deemed of general interest and for no other purpose. We regret that it has caused any one annoyance but believe, like the Secretary, that a mistake has been made somewhere—a mistake which can and should be settled in a private conference of the parties interested—and we trust it will be done without further publicity and without harm to any one.

Fraternally,

FLETCHER DAVIS,
Editor Anvil Herald.

Notice.

To the Republican voters of Medina County, Texas:

By the authority vested in me as County Chairman of the Republican party in Medina County, I hereby call a county convention, of all Republicans, to be held in the City of Hondo, Texas, at nine o'clock A. All Republicans are urgently requested to be present, at this meeting, as it may be found necessary to put out a Republican ticket for District and county officers.

J. W. FULLERTON,

A Demonstration of Neutrality.

The numerous and important lines of American business that have suffered famines in various commodities that Germany alone can supply are jubilant over the success of the submarine merchantman's voyage to this country with its million-dollar dye cargo, but a greater significance of the indisputable show of German resourcefulness is the general welcome the Deutschland has received in America.

While the state department, with perfectly good judgment, reserved the right to pass upon each expected duplication of the Deutschland case on its own individual merits, the Deutschland has been declared a merchantman and thus the argument of Great Britain and France of the belligerent possibilities of the doughty submersible has been met with an answer that stops further argument.

Americans who gravely objected to Germany's one-time attitude in the diplomatic correspondence over submarine warfare are now saluting the Germans for having successfully reopened her commerce with the United States.

American commerce and the American government alike welcome the resumption of German-American overseas trade, and there was never an attempt to prolong the discussion over the Deutschland's status and delay its departure for Germany with a return cargo.

The Deutschland has indirectly done much toward restoring

PAINFUL EFFECT OF Rheumatism, Lumbago, Gout.

It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A new remedy, called "Anuric," has been discovered by Doctor Pierce, which he finds is 37 times more potent than lithia, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of rheumatism, lumbago, neuralgia—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, renal calculus. "Anuric" prolongs life because old people usually suffer from hardening and thickening of the walls of the arteries, due to the excess of uric acid in the blood and tissues.

Kenedy and Hondo Break Even.

Kenedy and Hondo split even on the games of ball played here Monday and Tuesday afternoons, Kenedy winning the first game by a score of 2 to 0, and the second game going to the visitors by a score of 4 to 2. The third game to have been played Wednesday afternoon was called off on account of rain.

In the game played Monday the pitching of Holchak featured. He permitted only six scattered hits and was faced by but 31 men in the nine innings played. Scovill McCaskill played a star game in center field.

The game Tuesday was without distinguishing features, but was fast and interesting throughout. Following the rain of Wednesday afternoon the Hondo boys caught the train for home. They were a gentlemanly bunch and were well pleased with the treatment accorded them in Kenedy.—Kenedy Advance.

Should Sloan's Liniment Go Along?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.

Good Roads Congress to be held at the Medina Dam.

The urgent need for thorough co-operation of all good roads organizations in Texas was never more apparent than now. The \$85,000,000 Federal Aid Road Bill, which has been signed by President Wilson, provides that the funds shall be distributed among the States that are willing to appropriate dollar for dollar. If Texas counties or districts vote a million dollars worth of bonds for road construction federal aid will be extended to the amount of one million. This means that a good roads system will cost the property owners, who evince a progressive interest and take action, exactly one-half of the actual expenditure made.

At the Texas Good Roads Congress, to be held August 17, 18 and 19 at Medina Lake, near Hondo, the new law will be interpreted by competent authorities and a co-operative effort will be launched toward securing every dollar that should be rightly spent on Texas roads. It is declared by those closely in touch with the situation that counties having representatives at the Congress will be better equipped to secure their pro-rata part, because they will have a complete knowledge of the situation and the valuable co-operation of the entire good roads forces of Texas. The programs for the three days will soon be ready for the press and each program will offer solutions for problems that seem insurmountable in certain districts of Texas.

Two New Bridges for the Hondo.

The Business Men's League in a meeting Monday night officially endorsed the proposition started by the Devine News several weeks ago to bridge the Hondo on the Yancey road, and the following gentlemen appointed at the meeting, viz: C. M. Thompson, W. S. Lilly, J. W. Fullerton, M. A. Keller, J. C. Thompson, Mack Kercheville, W. B. Hardeman, Chas. W. Zimmerman, J. R. Evans, Jno. T. Briscoe, E. J. Balmos, G. D. Whitfield and W. L. Dubose went over to Hondo Tuesday, met a delegation of leading citizens of Yancey and succeeded in convincing the Court that the south end of the county was entitled to two bridges across the Hondo, and the Court, after careful deliberation, finally voted unanimously to erect a bridge on the Devine-Yancey road and one on the Moore-Yancey road. — Devine News.

Name Your Farm

OCCASIONALLY we get a letter from a farmer on stationery on which is printed his own name and the name of his farm. In some cases we find on the margin, briefly stated, what is being made a specialty of on that farm.

This looks like business, and demands attention at once, for it catches the eye.

The editor of your county paper always stands in need of a bushel of potatoes, a sack of water-ground meal, or some such farm product, and would be glad to swap you some nice printed envelopes and paper to match for these things.

It would pay you to do some trading with this man, who is doing a lot in his way to help you, so next time you are in town talk it over with him. Before giving the order talk it over with the wife and family, and decide on an appropriate, catchy name for your farm and then—live up to it.—President Charles S. Barrett in National Field.

is prepared, with a nice assortment of Modern and Appropriate Type and Good Paper, to assist you in carrying out President Barrett's suggestion.

Why Endure Summer Colds?

It isn't necessary to have a stuffed head, running nose. To cough your head off as it were. All you need do is to use Dr. Bell's Pine-Tar-Honey. The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.

Let the philanthropist who would have a liberal donation to help the helpless forego the old temptation to have most of it invested in monuments to himself.

To School Trustees.

HONDO, TEXAS, July 19, 1916.
To the Trustees of the Various
School Districts of Medina County,
Texas:

Much has been accomplished in the past few years in improving the organization and administration of the schools of Medina county. Their classification by the County Board has brought about conditions which make it possible to bring about effective school work. Consolidation has been effected in several instances, thereby saving the pupils of such communities higher school privilege; other districts have voted the local maintenance tax so essential to promote the welfare of boys and girls of these various rural districts.

Every trustee, and patron of the various districts of the county should be vitally interested in the boys and girls of the county, and should co-operate with the County Board and County Superintendent in working out the best plans for the best interests of the children so they may be prepared to cope with the complex problems of life.

In compliance with the law, the regular annual meeting of the district trustees of the county is called to meet at Hondo, Texas, at the court house, August 7, 2:00 p. m., to discuss questions, to-wit:

1. The making of desirable changes in school district lines.
2. Rural High Schools.
3. Classification.
4. Course of Study.
5. Teaching School Subjects.
6. Conduct of Schools.
7. Maintenance.
8. Discipline of School.
9. Best Means of Extending School Term.
10. Compulsory Education—the Mexican Child.

And such other matters as may be properly brought before the meeting. The secret of the success of the meeting will depend entirely upon the interests displayed by every trustee. Every trustee should therefore avail himself of the opportunity and attend the meeting and enter into the round table discussions.

Very respectfully,
W. N. SAATHOFF,
County Superintendent of Medina County, Texas.

Gave The Baby Rest.

Children just cannot keep covered at night and that is one way they take cold. Foley's Honey and Tar is a reliable family cough medicine that contains no opiates or harmful ingredients. Mrs. Wm. Leonard, Pottsville, Pa., writes: "My baby had a very bad cough. The first dose gave her relief." Sold everywhere and in Hondo by W. H. Windrow.

Economically, a muscular man from his neck to his feet is not worth more than \$1.50 a day, while from his neck to the top of his head the economic value of a man may be almost without limit.

Her Left Side Hurt.

Mrs. Laura Beall, Plattsburg, Miss., writes: "Last April I got in bad health; my left side hurt all the time. I had symptoms of Bright's disease. I took Foley Kidney Pills and feel all right now." They quickly relieve backache, rheumatism, aches and pains. Bladder troubles, too, are corrected by this remedy. Sold everywhere and in Hondo by W. H. Windrow.

Our position is that if a man wants pleats in the back of his coat he is entitled to them.

Home Economics Club.

The Home Economic Club girls met in regular session July 13, at the home of Miss Louisa Haass. Most all the members were present, besides one new member, and several visitors.

Miss Louisa Bendele is our delegate to attend the convention at Austin next week.

Mr. Arthur Haass held the lucky number and won the beautiful centerpiece, which we know will be a nice addition to his home box.

After the business session a delicious luncheon was served and the guests departed. Each reported to have spent a most enjoyable afternoon, and must admit that Miss Louisa is a charming hostess.

The next meeting will be held Thursday, July 27, at the home of Mrs. Fred Bowman. Hope all the members will be present to hear Miss Bendele's report from the convention.

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver

Better Than Calomel and Doesn't

Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful to-night and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

Just how dangerous a backache, sore muscles, aching joints or rheumatic pains may be is sometimes realized only when life insurance is refused on account of kidney trouble. Joseph G. Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."

Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."

Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 16-year-old girl."

Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.

The Soda Fountain An American Institution

Did you ever stop to realize that the soda fountain is as much an American institution as the square is a Mexican institution? "French Bread" is an institution in France and the Plum pudding an English institution? And the funny part of it all is that though one seldom sees a soda fountain in Europe, and then only for the sake of attracting American tourist trade, just as soon as a foreigner goes to this country he too seems to learn to love the soda fountain.

But, if you are old enough to look back a few years you will remember that only comparatively recently has the soda fountain been either so popular or so beautiful and hygienic.

You may remember what these old soda fountains looked like—what poor provision they made to supply even their scanty trade.

What has wrought this great change—what has made the soda fountain a national institution—a comfort and necessity in the daily lives of men and women—not only during the hot summer time but the whole year round.

The answer lies in that delicious beverage Coca-Cola. Soon after its introduction at the fountain people began to ask more and more for this distinctive drink. Along with the demand came the demand for more places that would serve it. Soda fountains sprang up everywhere, improving in beauty, neatness and attractive service. It is a fact that the soda fountain and all its allied industries have come to play in the economic life of the nation today as the largely to the stimulus given to it by Coca-Cola.

In the same way has the call for bottled beverages grown. In 1899 Coca-Cola bottles were first put on the market and the same quick recognition and appreciation was accorded to it in this form as

Farmers' Educational and Co-Operative Union of America

Matters of Especial Moment to the Progressive Agriculturist

Love is greater than happiness. Push thy harvest lest it push thee. The boarder cow often looks as good as a deacon. The confidence of a dog once lost is hard to regain. Folks still fail to remember that gasoline is explosive. Most of the good listeners among the men-folk farmers are married. Don't send the children to Sunday school; go yourself and take them. There are occasions when it is up to the man to apologize to the dog. Kissing is not the only way to catch disease, but it is the most satisfactory. Don't think you are the only one who has trouble. It comes to all, sooner or later. Character, friends and money are all worth while, and the least in value of these is money. There are many unhappy retired farmers—living in town. They have hard work doing nothing. The fellow who is rich enough to afford a real genuine vacation is seldom weary enough to need one. The highest duty of state and federal governments is to place agricultural education within the reach of all. If you have to start a funny story by saying you don't tell it the way it should be told, for heaven's sake don't tell it. Have a plain understanding with the day help as to wages, board, rainy weather time. It may save trouble when you can't afford it. The farm with well-painted buildings may not pay any better, but it's a deal more encouraging to the young folks and a better advertisement of one's way of living.

What Is Co-operation?

That much-used word is defined in an editorial in Financial America as "a concert of effort for mutually beneficial results; it is not a one-sided effort, either in the expenditure of energy or the enjoyment of what is achieved."

"Co-operation is not an act of charity and the American farmer is not asking charity," the editorial continues. "He asks that the business world realize he is a part of it and that they all work together for the common advantage."

RENT PLANS FOR NEXT YEAR

Terms and Conditions of Contract Should Be Very Carefully Considered by All Parties Interested.

Even now tenants and owners are making their rent plans for next year. The terms and conditions of the contract should be very carefully considered by both parties, for a wrong agreement may mean loss to both. Figures gathered on 669 farms in a farm management survey in northeast Missouri by O. R. Johnson of the Missouri agricultural experiment station show that the average tenant in the area surveyed made \$138 greater net income than the cash tenant, and that a share of the crop paid the land owner 1.3 per cent higher interest on his investment than was received by the owner who rented for cash. The total net income of the average tenant who rented all his land on share basis was \$548, the owner receiving 4.9 per cent. While the cash renter made \$410 and paid a rent which returned the owner 3.6 per cent. The tenant who rented his crop land for a share and his grass land for cash made a net income of \$507 and the owner received 5.9 per cent on his investment.

The land owner is better able to bear all or part of the risk of flood or drought than the average tenant, and the share rent plan throws part of the risk upon the tenant if he is financially responsible. If not, the owner may lose part or all of his rent, but he usually takes no further risks. Land continuously rented for cash is found to be more rapidly exhausted than the farm operated by the owner or rented for shares. Cash crops must be relied upon much more exclusively by the amount and must pay a fixed cash rent as securing money for use in paying store bills.

As the country grows older cash rent will probably become more prevalent and desirable. We may perhaps approach the present condition of England, where the tenants are wealthy enough to stand a bad year or two without becoming bankrupt. Their long leases, running for fifteen or twenty years, give them good opportunities to balance up bad seasons with good ones. Besides this, the fact that the owner takes a large share of his income in the form of social prestige attached to owning land and the renting and other privileges connected with it enables the tenant to get it for a cash rental amounting often only to two per cent of the owner's investment.

LOSING YOUR GOAT.

A father lost his head and began beating his boy for being out late nights. When the whipping was over, the old man said: "There, I guess that will hold you for a while. When I was a boy of your age, my father would not let me hang around late nights."

At this rebuke the boy replied: "He must have been a devil of a father."

This got the old man's goat, and he yelled at the lad, with an emphasis on one adjective: "He was a damn sight better father than you have!"

Every time a man loses his head he spills his brains.—The Silent Partner, in the Cornhill Widow.
